

Triple Tie for 'Title' Holds in 'Big Ten'—Joplin High Beats Tulsa

MICHIGAN, IOWA AND CHICAGO WIN 'CRUCIAL' GAMES

Badgers Cross Goal Line of Wolverines; 42,000 Witness Battle

ANN ARBOR, Mich., Nov. 18.—A driving, speedy attack developing in the second half and which Wisconsin could not quite check, enabled Michigan to defeat the Badgers 13 to 6 today and continue in the race for the western conference football championship. It was the first contest in which the Wolverines have been scored upon this year.

More than 42,000 persons crowded the stadium, filling all seats and standing room.

BUCKEYES TWICE LEAD BUT IOWA TRIUMPHS.
By the Associated Press.
COLUMBI, Ohio, Nov. 18.—Iowa defeated Ohio State today 12 to 9, but only after the Buckeyes had twice held the lead and after they had threatened throughout four periods of brilliant play to break the Hawkeyes' long string of gridiron triumphs.

The invaders, making their first appearance here, outplayed the Buckeyes. The fierce line plunging of the Hawkeyes backs swept over Ohio's forward wall unnumbered times, but only once were they able to terminate a series of rushes with a touchdown, their second score resulting from a miscalculated punt by Workman, Ohio, half back, who had been injured on the previous play.

Meanwhile Ohio State, fighting grimly after three previous western defeats, took advantage of almost every opportunity and on several occasions threatened to convert an apparent defeat into a victory. The minute victories, which earned them conference titles in years gone by.

"BATTERING RAM" THOMAS SMASHES ILLINOIS LINE

CHICAGO, Nov. 18.—With Johnny Thomas, the human "battering ram" ripping and tearing the line to pieces, Chicago triumphed over Illinois 9 to 0 in their twenty-third annual game in Stagg field today, keeping the Maroons undefeated in the race for the western conference championship.

The contest was witnessed by a capacity crowd of 35,000, the same number that thronged the Chicago-Princeton classic three weeks ago. Illinois, which sprang the surprise of the season a week ago by defeating Wisconsin, 3 to 0, proved dangerous in defense, but lacked the punch to come within striking distance of Chicago's goal to enable Clark to try for a field goal.

Drake Beats Grinnell Remaining Undefeated

DES MOINES, Nov. 18.—Drake pushed over three touchdowns against Grinnell in their annual football game here this afternoon and the Bulldogs ended their first undefeated season without defeat.

Drake made its first touchdown in the first period and added another in the fourth period. The feature of the game was the work of the right side of Drake's line, Captain Marsh starring.

Central of Edmond Downs Ames, 14-13

AMES, Iowa, Nov. 18.—Central normal of Edmond, Okla., by a series of forward passes and long end runs, scored its second touchdown of the game with 14 minutes left to play and won from Iowa State, 14 to 13, here today.

Vanderbilt Conquers Georgia, Score 12-0

ATHENS, Ga., Nov. 18.—In a punting duel in which the Vanderbilt backfield excelled, the Commodores today defeated the University of Georgia 12 to 0. Except for a quart in the second quarter, when Vanderbilt carried the ball to Vandy's goal line, and there lost it on a fumbled forward pass the Commodore goal was never in danger.

Nebraska Wins, 21-0 From Kansas Aggies

LINCOLN, Neb., Nov. 18.—Playing in the face of a continuous series of successful forward passing Nebraska crossed the Kansas Aggies' goal line for three hard-earned touchdowns today. The game ended in a 21 to 0 victory. When the game started, Coach Dawson, hoping to save his first team for the game with Notre Dame, put in a number of second-string men, but the Aggies put up a surprising show of strength and the Wildcats were unable to establish a foothold on Nebraska's territory on first downs. Subsequent substitutions brought Nebraska's first team back into play.

Reiger W. A. Swat King Springfield, Mo., Nov. 18

SPRINGFIELD, Mo., Nov. 18.—Reiger, Iowa outfielder, was the home run king of the Western association during the past season according to the official averages released today by President Daniels of the circuit. Reiger drove off 31 home runs during the regular scheduled season. Leo Cotter, first baseman with the Springfield club, led all batters with an average of .316. He hit four home runs, formerly with Springfield and later with the Joplin club, led in total base hits with 335.

Coach F. Lance Of Rangers Goes To Alma Mater

Coach F. Lance, for the last five years athletic director of Southwestern State Normal school of Weatherford, announced his retirement from the berth by yesterday after the game with Tulsa university, which the Rangers lost by the close count of three touchdowns to two.

Lance said he would remain with the Weatherford team until the close of the gridiron season, when he will go to Pittsburg, Kan., to take the position of assistant to head coach Dr. Garfield Weede, Kansas State Normal. Lance graduated five years ago from Kansas Normal and is just returning to give his experience and ability to his alma mater. He will coach the varsity basketball team and will handle the backfield in football. He also will aid Doctor Weede with his track team.

In his five years at Weatherford Lance has developed the Rangers into a formidable grid machine. When he went there, they were just inaugurating football in the school. The Rangers are now considered one of the best of the state normal teams.

Lance said he had had his best success. He annexed three state basketball titles in four years. In track his team was second in the interscholastic meet three times and first once in four years.

FOX AND WOLF HUNT IS SET FOR LATE NOVEMBER

Last Year Early Dates Caused Grief; Fine Dogs Included

Special to The World.
TULSA, Nov. 18.—Now that the long prevailing dry and dusty weather is of the past sportsmen are anticipating a very enjoyable time at the annual meet of the Oklahoma State Fox and Wolf Hunters association. Last year the meet was held in October but the weather was so utterly sultry and dusty that the meeting was not much of a success, and after retaining in camp for a few days down on the banks of the Illinois in Cooks town, the hunters returned to the state capital to the meet which will be held on the Sanders farm two miles east from Bragg, the dates are November 28, 29 and 30.

Joe J. Cookson of Qualla is president, and Dr. J. L. Edwards, of Tulsa, secretary-treasurer. These club officials are exerting themselves to make the affair a success. They promise an abundance of wild game for the use of the guests. The sportsmen, and are so sure that they will be able to make good in this line that they guarantee game for the hunters. The hunters are streams are at no great distance from the meeting place and there is a probability that some fine fish will be found on the bill of fare.

Own Some Fine Dogs.
The members of the association is quite large and a number of the members are possessors of hounds of proud lineage and high breeding. In long gone years many of the fox hunters owned "fox hounds," but in these days the breed is vastly improved. Doctor Dole, a dentist of Westville, has some fine dogs and he has been successful in some high-grade dogs himself. Other members have made great efforts during a few years past to acquire hounds of improved strain and when the association meets at the Sanders place, shown one of the finest aggregations of hounds in the southwest.

Foxes are yet quite numerous down in the tangled and rugged recesses of the hills adjacent to the Cooks locality and a number are the famous and resourceful red foxes. Some exciting chases are anticipated.

Veterans to Be There.
Some of the veteran fox hunters may be present. L. P. Dunn, justice of the peace at Qualla, familiarly known as "Dad" Dunn, is one of the old-timers among the fox hunters and until a few years ago took part in many chases. Dunn states that the red foxes were practically unknown in the hills along the lower Illinois until about 1888, when they arrived and the gray foxes departed for other sections of the hills. Between the red and gray foxes there is ever a sort of "no man's land," or rather a "no foxes" land. When the red foxes reach a locality where in the gray foxes have held sway, say the hills along the lower Illinois, the latter make a dash to make make haste to remove some distance away. A mountain ridge or a stream or hilly plateau serves as a boundary between the two varieties of foxes and they do not become friendly.

"Uncle Sam" still is another of the old-time fox chasers but now rarely sets out in the hills any more. He has decided in this section of the land for full 40 years, he says, and the stories he can relate concerning foxes and fox chases are interesting as well as amusing. Fox hunting, however, have caused the veterans to forego the excitement of the chase and the strenuous horseback riding over the ridges and down into the valleys. The hunt is now a hunt which he went to assemble the hounds hangs silent on the wall, but he may be induced to visit the camp while the big meet is under way.

When the association meets a camp with tents is established, near some fine mountain spring or watercourse, where fuel is plentiful. A number of the hunters are employed and abundance of provisions provided. Several days are then spent amid nature's scenes and chases and contests occupy the time until the close of the meeting.

JOPLIN'S MIXED ATTACK CRUSHES TULSA DEFENSE

Four Touchdowns and a Drop Kick Account for Joplin Score

Special to The World.
JOPLIN, Mo., Nov. 18.—Tulsa high school football eleven, championship contender in the Oklahoma interscholastic conference, met a sterner test in the form of Joplin high school here this afternoon and was buried under a 20 to 0 score.

The Joplin team, champions of the southern Missouri league and leaders in the "Big Eight" conference of schools in the southwest, mixed a ball-driving line offensive with an overhead attack that sent a red-sweatered player over Oklahoma's goal line four times. A drop kick in the last quarter from the 20-yard line added three points to the total. Tulsa, halted by Joplin's first line of defense on straight football, resorted largely to the aerial attack. This accounted for this only touchdown, which came in the fourth period. The Oklahoma also were within three feet of the goal, after Goforth had returned the ball 60 yards after kickoff to Joplin's 10-yard line, when the game ended.

Fumble Hurts Tulsa.
A fumble in the first period, when Tulsa had the ball on Joplin's 10-yard line, also knocked the Oklahoma out of a possible score. In the second period the Joplin offensive began. Mixing line smashes with forward passes, Captain Potts shot a 40-yard pass to Windle, right end, the latter racing past Goforth for a touchdown.

Line smashes brought Joplin within scoring distance again, and a forward pass completed the trick. Tulsa, lightened at the beginning of the second half, but Joplin sent across its third marker, before it ended. Joplin worked the ball to the 20-yard line in the fourth, and when a Tulsa pass failed, Windle dropped back and drop-kicked between the uprights. Tulsa then opened up an offensive that took them over. A few minutes later, seeing Joplin in the morning. From the next play fouled placed into execution.

Goforth Almost Counts.
Taking the ball on kickoff, Goforth shifted right and an aerial pass halted only by Joplin's safety, ten yards from the goal. Three downs brought the ball to the three-yard line, when time was called before the next play fouled placed into execution.

Goforth, Captain Ledford, Moore and Robertson were the outstanding players of the Tulsa team.

Line-up and summary follows:
Tulsa: Selby, I. E. Schrader; Brown, L. T. Perry; Martin, I. G. Crandall; Moore, I. G. Brown; Markowitz, I. G. Ellis; Goforth, J. H. Stephens; Ledford, C. H. H. Dillon; Robinson, P. R. Potts (capt.).

Score by quarters: Tulsa 0 0 0 0—0; Joplin 14 7 9—30.

Summary: Touchdowns—Goforth, Windle, Pletcher, Potts 2. Goals after touchdowns—Windle 3. Drop kicks—Windle, Pletcher 2. Tulsa 10. Joplin 17. Forward passes completed—Tulsa 8. Joplin 14. Interceptions—Tulsa 1. Substitutions—Tulsa: Martin for Drain, Burhans; Brown, Brown for Burhans; Joplin: Barnett for Ellis, Ellis for Stephens. Line-up for Tulsa: Schrader, Ketchum, Swartz for Allen, Reifer, Hazen, Geneva, Umpire—Humes, Miesdorf. Head linesman—Wayne, Windle, Springfield normal. Time of periods—15 minutes.

Kansas Easily Beats Colorado by 39 to 6

By the Associated Press.
LAWRENCE, Kan., Nov. 18.—The University of Kansas football team scored six touchdowns in the game with Colorado university here this afternoon. The score was 39 to 6. The Colorado scored two place kicks. Overburne by the heavy line plunging of Kansas, they resisted gamely, occasionally flashing a hand of forward passing that was good for gains.

W. & J. "Wonder Team" Downed by Pitt, 19-0

PITTSBURGH, Nov. 18.—Washington and Jefferson's wonder eleven, undefeated in the West, today, outgeneraled, outplayed and outkicked by the University of Pittsburgh Panthers. Coach Nellie's warriors, undefeated for nearly three seasons—lost a 19 to 0 struggle on a muddy gridiron to an eleven that had twice been conquered this fall.

Exterminator Is 'Iron Horse' To Many; Has No Temperament

IN THE COURSE OF FIVE AND A HALF SEASONS HE HAS WON \$253,000

Many folks think Exterminator, greatest distance running thoroughbred of 25 years of America's racing, is an iron horse, high tensioned motor removed and oiled, guarded throughout the night and bolted to ether again in the morning. From Exterminator's superperformance on the track, he does seem more than just horse.

In five and a half seasons' racing, he had won something around \$233,000, four Saratoga cups, three Pimlico cups, three Toronto autumn cups and possessing a colossal cup and laurel complex, will doubtless compete for more in the Tia Juana meet which James W. Cofforth inaugurated on Thanksgiving day.

At Sun Brar court, the beautiful Willis Sharpe Kilmer stables on the outskirts of Hingham, N. Y., they will tell you Exterminator is as gentle as a pony and will poke his nose in your pockets for sugar. They will also tell you he is not a subject of "nerves" as are most race horses and is altogether the greatest horse in the world.

Desperate Pass by Tigers Most Notable Play of Year

By ROBERT EDGREN.
Trailing 18 to 7, with only 10 minutes remaining, and the ball on their own one-yard line, Princeton seemed hopelessly beaten by Chicago. At this moment, however, came the play that completely changed the situation and prepared the way for the Tigers' victory. It was the most daring piece of strategy I ever saw on any gridiron.

Every one in the great crowd at Stagg field certainly expected Princeton to kick with their goal line in such danger. The Chicago line evidently figured no other move could possibly be made. The Maroon men crouched low on the line eager to block the expected kick.

Princeton's eleven lined up in kicking formation with Jack Claves standing fully 10 yards behind his goal line. The ball was snapped and the rival lines met in a mighty crash. The Chicago ends rushed in to block the kick. From the towering press stand it looked as though Claves would never get the ball away.

To my astonishment the Princeton full back began side-stepping as Maroon players swarmed in front of him. Instead of kicking, Claves, cool and deliberate, passed the ball. On the 20-yard line Johnny Johnson stood waiting for the pass that sailed directly over the center of the line. The Chicago team was caught unawares. When the lines came together, Gorman slipped through on the right side and hurried to his position. Claves never let go the ball until he saw the little quarter back was ready to receive it.

Big Leagues to Open One Week Later in 1923

CHICAGO, Nov. 18.—Major league baseball fans will probably have to wait a week longer than usual to see their favorites at play next season, as notices were sent out today by President Ban Johnson of the American league and President Heydler of the National league that the chase for the Ganton will get under way April 17.

This action was taken, it is said, at the request of club owners who hoped to avoid bad weather, and benefit their clubs by a week's additional training. The season will, according to the notices, therefore commence on October 1 or 8, instead of October 1.

The inaugural date in past years has been on Wednesday while this coming season it will fall on Thursday.

Spring exhibition games will be booked to fill the extra week of the training period, it is said.

Graney Looking For Good Season At Des Moines

By the Associated Press.
DES MOINES, Iowa, Nov. 18.—Manager Jack Graney of the Des Moines Western league baseball club is anticipating a good season here next year.

The club, finished last in the 1922 race, but acquired several players who should be excellent major league prospects within a season or so. Among them is Walter Grady, a center fielder who threw out more men at the plate than any other fielder in the league. He is a 300-batter and a sterling base runner.

George Cooper, a right-handed pitcher, is another good prospect. He was purchased from Portland, Ore., in the middle of the season. He proved to be such a good hitter that he rarely worked on the mound, always giving a good account of himself, however. He hit for a .370 average.

Jack Banner and Mike Wilson are the two catchers on the team and are both comers. Banner is expected to be at the height of his playing in the next five years.

Floyd Chesbro, a left-handed first baseman, is another find picked by the Westerners. Peter Torgeson, a shortstop, is one of the hardest hitters for a small player that the Western league has ever seen.

The Westerners have Don Grant and Art Wagner, for third base prospects, although Wagner belongs to Cleveland. Grant played at Evansville last year.

Joe Horan is the regular right fielder while Jack Graney holds down left field.

Otto Merr, "Lefty" Eddie, Cooper, are the three mainstays in the box to come back. The Westerners have an optional agreement for the services of Middleton from Cleveland. He is a capable southpaw.

Des Moines will train at Ponca City, Okla., next spring.

A happy medium: The chap who is filled with good spirits.

HOPPE IS VICTOR IN 11TH BILLIARD TILT FOR TITLE

Willie's Match Filled With Indifferent Cueing; Conti Discarded

NEW YORK, Nov. 18.—Willie Hoppe won a match filled with much indifferent cueing with which he defeated Roger Conti, the Frenchman, by the score of 500 to 204, in the eleventh game of the international 18.3 ball line billiard championship tournament at Hotel Pennsylvania tonight. At all times Hoppe kept the ivory rolling freely, too freely in fact, for good and true ball line. His runs were a medley of a little bit of everything from a scratch to a few, a very few counts at running. Even so, his runs were 122, 109 and 86. The average was 35 to 10.4. Conti had the misfortune of failing to get the balls out of balk in two of his best runs. His cueing was poor, and he went into the discard by his defeat. Conti's average was 15 to 13, and his runs 75, 47 and 38.

Hoppe's finding stroke was much in evidence in the second game. He hit a total of 61 times in one direction, then reset for the shot to see-saw 14 times before he put the tip to ball for the carom. On his showing tonight the possibility of a triple tie, Hoppe, Schaeffer and Horemans, as the outcome of the tournament proper.

The score follows:
Hoppe, white ball—5, 109, 0, 24, 0, 61, 86, 1, 122, 16, 37, 31, 0, 19, 500 points.
Conti, spot ball—0, 33, 1, 0, 38, 0, 9, 0, 47, 75, 0, 0—Total 203 points.
Referee—Albert G. Cutler.

NEW YORK, Nov. 18.—In a sensational finish Edouard Horemans, the Belgian, defeated Walker Cochran in the tenth game of the international 18.3 ball line billiard championship today at the Hotel Pennsylvania. The final score was 500 points to 405.

Horemans came from behind at the close to win by an unfinished run of 207. It was another masterpiece of massé, and close nursing otherwise the Belgian's string was uncertain. He had trailed much of the time. His other runs were 96 and 81 and his average 24 to 17.

Cochran was unstable, but his carom play was interesting. His average was 23 to 17 and his high runs 193, 93 and 57. The score by innings follows:
Horemans, spot ball—34, 0, 25, 2, 5, 81, 2, 8, 96, 7, 0, 2, 9, 0, 8, 15, 207—500 points.
